

Alan Simon Music Consultants can provide entertainment for any event. Our musicians and singers are professionals of the highest caliber and have experience in providing quality music in a wide variety of styles for dancing and listening.

Alan Simon Music Consultants is a professional service that has been providing quality musical groups for a variety of events since 1985. Mr. Simon personally has *more than 20 years of experience* playing concerts, clubs, private parties, corporate functions and cruise ships. His experience can help guide you in selecting the perfect entertainment for your event ***within your budget.***

Our agency can plan music for your wedding, corporate or private party bar/bat mitzvah, funeral (yes, we do that, too!), or concert. We are prepared to work with your party planner, caterer, hotel representative, and you to organize and create the entertainment for your occasion. Don't live in Manhattan? *We travel.* Our musicians and singers have provided music for the major hotels, country clubs, and restaurants in New York City, Connecticut, Massachusetts, New Jersey, and the entire East Coast as well as *concerts worldwide.*

Cozy & intimate to ballroom & big band - Our primary goal is to customize our musical performance to your needs and budget!

All of our bands are tightly knit working units who perform and record regularly together. Experienced and enthusiastic band leaders create wonderfully sophisticated music for listening, as well as a wide variety of exciting dance music ranging from *Jazz Standards and Swing, Latin Bossa-Nova and Samba to Classic Rock, Motown Rhythm & blues, Contemporary Music, and Classical.*

For your wedding, chamber music is available for your ceremony ranging from flute, violin and cello combinations to guitar, oboe, harp, organ, and fiddle. You may prefer a strolling violin, string quartet, woodwinds, brass or a Baroque group carefully arranged within your budget. *Classical, jazz, and gospel singers are available to perform your selections.* Frequently, our musicians play several instruments and can later perform your reception as well, making the smooth transition between classical and jazz, without the hassle of your hiring two groups of musicians. Whatever you need, we provide the music to make your day perfect. *Our consultants are available to answer any questions you may have, from the first dance to the last.*

Brilliant, experienced performers customize music to please any size crowd with a diversity that can satisfy any age group. *Let us know, we'll tailor the music to fit your needs and budget.* We perform at a *comfortable volume level* that allows enjoyable conversation regardless of the energy on the dance floor. Our performers are punctual and reliable, sometimes booked 1-2 years in advance. *Our highly talented musicians perform regularly at the JVC and numerous other Jazz Festivals, Carnegie Hall, The Blue Note, The Rainbow Room, Radio City Music Hall, Broadway, and the Cinema.* Our artists have recorded for Atlantic, Concord, and Cadence Jazz Records to name a few. These motivated artists tour extensively in Europe, South America, Japan, and the United States, and have *appeared with Lionel Hampton, Dizzy Gillespie, Benny Goodman, Liza Minelli, The Drifters, Harry Belafonte, Glenn Miller Big Band, A Prairie Home Companion, Cab Calloway, numerous Symphony Orchestras, Buddy Rich, and Frank Sinatra.*

Our performance is our reputation. Most of our clientele are referrals from previous clients, *through word of mouth*, therefore every performance whether solo piano or 17 piece big band requires the same diligence and devotion to quality. Our musicians love to perform! From cocktail hour to concert, *your date is extremely important to us.*

You deserve the best! Let us help you select the necessary instrumentation within your budget. You may choose Piano, Flute, Tenor or Alto Sax, Bass, Male and Female Singers, Drums, Guitar, Violin, Trumpet, Oboe, Trombone, String Quartet, Clarinet, Strolling Violin, Harp, etc. in any combination you require. Whether your taste is Classical, Jazz, Show Tunes and Standards, Rock, Motown, or Chamber Music, our performers are stylistically adept at performing the great standards from the Frank Sinatra, Ella Fitzgerald, and Nat King Cole songbooks. A few of the composers they interpret so well include: Gershwin, Rodgers & Hart/Hammerstein, Ellington, Porter, Kern, Berlin, and Arlen.
